

Dear Scholarship Applicant:

Thank you for your interest in Delegate Dalya Attar's academic scholarship. In order to apply, you must be a resident of Maryland's 41st Legislative District. To confirm that you are a resident, please visit <http://www.mdelect.net> and enter your address to find out if you reside in District 41.

To be considered for a scholarship, please write a letter of interest to Delegate Attar explaining why you deserve the Delegate Scholarship. Your letter should include the name of the college you will attend for the 2019-2020 academic year, your major, previous community service activities, future career and academic goals, and how this scholarship will help you achieve those goals. The letter should not exceed two double-spaced pages. If you have applied in previous years, you still need to write a *new* letter of interest in order to be considered.

Please return the enclosed form along with your letter no later than April 30, 2019. In addition to the form and the letter, please send a copy of your most recent transcript or report card and a copy of the Student Aid Report (SAR) from your completed FAFSA (please **DO NOT** send the entire document – only the SAR). You may return the application via email, fax, or postal mail. **When returning the application via email, please be certain to save the file under your first and last name (i.e., lastname_firstname_2019).** To ensure that you will be considered for a Delegate Scholarship, you must also file the Free Application for Federal Student Aid (FAFSA) by March 1, 2019.

The Delegate Scholarship may be used for community college, undergraduate or graduate students. Both full and part-time students are eligible to apply. Full-time undergraduate students must maintain 12 credits or more per semester, while part-time undergraduate students must maintain 6-11 credits. Full-time graduate students must maintain 9 or more credits per semester, while part-time graduate students must maintain 6-8 credits per semester.

You may only use this scholarship at an out-of-state school if your major is not available at a Maryland school or if you are a Maryland resident serving in the military and stationed out of state. The Office of Financial Aid must identify your major as "unique." To establish unique major status, contact the Maryland Higher Education Commission (www.mhec.state.md.us) for the requirements.

The Delegate Scholarship is for a single academic year. You must reapply for the scholarship each academic year. Please do not hesitate to contact me should you have any additional questions. Best of luck!

Sincerely,

Skyler Coleman
