VACCINATION UPDATE

Dear Friend,

Governor Hogan recently announced that beginning tomorrow, Monday, January 18th, the State of Maryland will officially enter Phase 1B, prioritizing Maryland residents who are 75 years and older. Additionally, on Monday, January 25th, the State will enter Phase 1C, which includes Maryland residents ages 65 to 74.

[Click here](#) to see who is included in each phase.

Insufficient Vaccination Supply

It is important to know that although Governor Hogan expanded vaccination eligibility, we still do not have a sufficient supply to vaccinate all those eligible to receive the vaccination. Also, local health departments are responsible for vaccinations within their respective jurisdictions.

Baltimore City Residents

If you live in Baltimore City, once you are eligible to be vaccinated, you can make an appointment by [clicking here](#) as appointment slots become available. Please note as of this moment, these slots are all filled, but you should check back frequently as additional slots will be made available.

Baltimore County Residents

If you live in Baltimore County, complete [this form](#) and you will then be contacted by the County Health Department with information about appointments once you are eligible.

All Maryland Residents

You can also visit covidvax.maryland.gov and enter your location to view vaccination clinics available within a 50-mile radius. You must then contact the clinic of your choice for scheduling and more information.

Thank You for Your Patience

I know we are all ready to move on with our lives and many of us are desperate for ourselves and our loved ones to receive the vaccination immediately. We are all doing as much as possible to make this happen, but we are limited by the number of vaccines provided to us by the Federal Government.

Vaccine availability is changing every moment, so please be sure to check the websites listed above frequently, and I will be sure to send you further updates that I receive.

Thank you for entrusting me to represent you. Stay safe and healthy.

Sincerely,

A handwritten signature in black ink that reads "Dalya". The signature is written in a cursive, flowing style.
